---

Renovated in 2025, the MWSU Library has a variety of resources and services that meet the learning and research needs of the students, faculty, and staff. The newly renovated space has glass individual and group study rooms, a model classroom, and a 24-hour space. Flexible seating encourages creativity, and individual study.

The library collection contains print and electronic resources in a variety of subject areas. In addition to over 225,000 volumes housed in the library, students have access to over 25 million items through the Missouri Consortium of Academic Libraries (MOBIUS). Professionally trained librarians provide individual assistance and classroom instruction. Research assistance is available by walk-in, email, chat, or Book-a-Librarian for personalized assistance.

The library is a popular destination for research, study, and group work.
