The Western Institute provides varied educational opportunities in a variety of settings. The institute serves college students attending satellite sites or taking online courses, business and industry seeking to improve employees' skills and knowledge, adults seeking workplace skills or specific job training, adults seeking to complete a college degree they began earlier in life, high school students seeking college credit, children desiring to expand their skills in art and music, adults seeking personal enrichment, traditional college students taking elective courses, incarcerated individuals pursuing educational goals, and adults needing improvement in literacy skills and English language skills. The Western Institute is also the home for Conferences, the Walter Cronkite Memorial, Scheduling, Study Abroad & Exchange Programs, the Law Enforcement Academy, the Intensive English Program and the Testing Center. The mission of the Institute is to serve the community through a wide range of educational programs and educational delivery options.

Credit Courses

The Western Institute offers a number of elective courses for college students. A maximum of six (6) credits in continuing education courses, numbered 100 or higher, and bearing the CED prefix, may be applied toward the total requirements required for a Missouri Western degree, but may not be applied toward the academic major.

The Western Institute provides initial advisement to adults seeking to complete college degrees begun earlier in life.

The Western Institute sponsors several education programs for off-campus and nontraditional students. These include: online courses, Dual Credit classes (college credit offered in high schools), upper-division and graduate credit classes in Kansas City; and English as a Second Language classes.

The Western Institute is home for the MWSU Regional Law Enforcement Academy/Police Officer Standardized Training (P.O.S.T.) program. This program takes approximately 23 weeks and consists of 18 hours of Criminal Justice coursework (12 hours in Fall or Spring Semester, and 6 offered in two mini-semesters). A year-long part-time program is also available. These programs certify participants to become police officers in the state of Missouri. The 18 hours are fully applicable to both Western's associate and baccalaureate degrees in Criminal Justice. In addition, the curriculum includes physical training and health coursework that sufficiently overlaps PED 101 Fitness and Wellness such that cadets are required to enroll in an additional 3 credits for this course. Cadets who already have credit for PED 101 Fitness and Wellness will enroll in a substitute PED course.

Walter Cronkite Memorial

Since St. Joseph, Mo., is both the birthplace of Walter Cronkite and the home of Missouri Western State University, the university established the Walter Cronkite Memorial in 2013 as a tribute to the St. Joseph native - www.missouriwestern.edu/wcm (<http://www.missouriwestern.edu/wcm>). The memorial, which continues to expand in size and scope, currently occupies 6,000 square feet in the Spratt Hall Atrium. The memorial includes images, videos and memorabilia from Cronkite's life and the many events he covered as a journalist. Additionally, the University created two original multimedia productions to honor Cronkite. These plays are periodically performed live at the memorial; recorded versions also are shown for visitors.

A central feature of the Walter Cronkite Memorial is a 9' X 21' work of art that includes 39 images of world and national news events reported by Cronkite. An interactive kiosk enables visitors to bring these images to life via video clips of actual news broadcasts, Cronkite's reflections and summaries of the historical significance of the events.

The memorial includes a replica of the newsroom from which Cronkite broadcast the news during the 1960s-1970s. Tours can be arranged calling (816) 271-4100.
