

MOTR CORE 42 COURSES

The Missouri Higher Education Core Transfer Curriculum is a recommended lower-division core curriculum of forty-two semester credit hours intended to facilitate student transfer among Missouri's public institutions of higher education. It is a statewide general education course of study intended to ensure that all graduates possess a common core of college-level skills and knowledge.

CORE 42 is comprised of dozens of courses distributed across five knowledge areas - Social & Behavioral Sciences; Written and Oral Communications; Natural Sciences; Mathematical Sciences; Humanities and Fine Arts. The courses in each knowledge area are designated with a Missouri Transfer (MOTR) course number, which guarantees the one-to-one transfer among all Missouri public institutions of higher education.

Missouri Western MOTR courses are identified within the course descriptions below. More information on the CORE 42 program can be found here (<https://www.missouriwestern.edu/registrar/core42>).
