

PHYSICAL THERAPIST ASSISTANT (ASSOCIATE OF APPLIED SCIENCE, A.A.S.)

Overview

The physical therapist assistant performs patient rehabilitation under the supervision of a physical therapist. PTAs treat neurologic, orthopedic and cardiopulmonary dysfunctions, providing pediatric, athletic, and geriatric rehabilitation, treatment for wounds and burns, and more.

The PTA program includes didactic and laboratory preparation, extended opportunity to practice and apply learned skills in affiliated clinical settings, and education necessary for graduates to sit for required state licensing examinations and to function competently as entry-level practitioners.

Four semesters and two summer sessions comprise the program. Upon graduation, students receive the Associate of Applied Science degree. PTA students are encouraged to consider the advantages of obtaining a bachelor's degree from Missouri Western.

Admission to the program is limited to one cohort of twenty students every fall. Admission to the university does not guarantee admission to the program. Selection is competitive and is based on applicants' grades, ACT (or TEAS or SAT) scores, completion of the Missouri high school core program or equivalent, science and math preparation, letters of recommendation, personal essays, and observation of physical therapy in practice. Application information is available online at www.missouriwestern.edu/pta (<http://www.missouriwestern.edu/pta/>). Application deadline is March 1st.

Missouri Western's Physical Therapist Assistant Program is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE).

Admission

The PTA program is a competitive entrance program. Application to the program is made separately from application for admission to Missouri Western.

Application requirement information can be found at www.missouriwestern.edu/pta (<http://www.missouriwestern.edu/pta/>). Requirements include a completed application via PTA-CAS (<https://www.ptacas.liaisoncas.com/applicant-ux/#/login>), ACT or TEAS scores, three forms of recommendation, high school and college transcripts (if applicable), twenty-four hours of observation, and answers to two short essay questions.

One cohort of 20 is accepted every year. Deadline for application is March 1st for the following fall start.

Requirements

Students who choose this associate degree program will have no more than 6 years from admission or subsequent declaration to meet the requirements listed below. If certification, accreditation or statutory requirements change and additional requirements become effective during this time, the new requirements take precedence.

Note: Students pre-admitted into the associate degree program (pre-major) have three years to meet admission requirements before moving

to the overall 6 year time-frame allowed to complete the program requirements.
