

SUPPLY CHAIN MANAGEMENT (BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION, B.S.B.A.)

Overview

Supply Chain Management majors study of the movement of materials, information, and finances as they flow from supplier to manufacturer to wholesaler to retailer to consumer. Supply chain management involves coordinating and integrating these flows both within and among companies. Possible careers include: Supplier Relations, Procurement and Supply Management, Materials Planning Inventory, Management Logistics.

Admission

Admission Requirements

Students with an ACT composite score of 21 or greater will be admitted without review upon completion of an application for admission to the program.

Students with an ACT composite score below 21 can be admitted to the program if they have a high school GPA of 3.5 or higher.

Students with an ACT composite below 21 and a high school GPA below 3.5 will be admitted into the BSBA program once they complete at least 30 university credit hours and have an overall college GPA of 2.5 or higher and have a grade of C or higher in the following courses:

Code	Title	Credit Hours
ACC 201 or ACC 202	Introductory Financial Accounting Introductory Managerial Accounting	3
GBA 201	Business Analytics and Reporting	3
GBA 210	Business Statistics I	3
GBA 211	Business Law I	3

Applications for admittance should be submitted at least one week prior to attempting registration in courses restricted to majors. Applications of transfer students (upon their request) will be given a preliminary review before MWSU's pre- or regular registration sessions.

Requirements

Students who choose this bachelor degree program will have no more than 6 years from admission or subsequent declaration to meet the requirements listed below. If certification, accreditation or statutory requirements change and additional requirements become effective during this time, the new requirements take precedence.

Note: Students pre-admitted into the bachelor degree program (pre-major) have three years to meet admission requirements before moving to the overall 6 year time-frame allowed to complete the program requirements.
