

CRIMINAL JUSTICE (ASSOCIATE OF SCIENCE, A.S.)

Overview

The Associate of Science degree in Criminal Justice is an option for any student interested in working in the criminal justice system and is searching for a degree that can be obtained in two years. Students who earn an associate degree can use their courses toward a bachelor's degree in Criminal Justice.

Requirements

Students who choose this associate degree program will have no more than 6 years from admission or subsequent declaration to meet the requirements listed below. If certification, accreditation or statutory requirements change and additional requirements become effective during this time, the new requirements take precedence.
