

# RECREATION SPORT MANAGEMENT (BACHELOR OF SCIENCE, B.S.)

## Overview

Missouri Western State University's Recreation Sport Management Program is dedicated to preparing future professionals to work in the areas of recreation and sport management. Students will develop professional competencies through academic, practical, and research experiences. Graduates will be skilled and informed professionals who facilitate and promote recreation, sport, and enhanced quality of life.

The Recreation Sport Management (RSM) program educates and prepares students to engage in careers across the recreation, sport and leisure spectrum. What sets us apart is our commitment to high-impact applied learning experiences. Students will engage in a variety of hands-on learning experiences both in the classroom and professional settings.

The multi trillion-dollar recreation and sport industries translate into an expanded job market for students interested in Recreation Sport Management. Students majoring in Recreation Sport Management select either a Sport Studies or Esport Management concentration.

## Requirements

Students who choose this bachelor degree program will have no more than 6 years from admission or subsequent declaration to meet the requirements listed below.
